Part II - With Regard to the Importation of the Described Radio Frequency Device(s), I DECLARE THAT: (Place an "X" in only one box) 1. The FCC has issued a grant of equipment authorization for the FCC ID listed above. 2. An FCC grant of equipment authorization and an FCC ID are not required, but the equipment complies with FCC technical requirements. 3. The described equipment is being imported in limited quantities for testing and evaluation for compliance with technical requirements to marketing suitability. The equipment will not be offered for sale or otherwise marketed. (See Instructions) 4. The described equipment is being imported in limited quantities for demonstration at industry trade shows and will not be offered for sale or otherwise marketed. (See Instructions) 5. The described equipment is being imported in limited quantities for demonstration at industry trade shows and will not be offered for sale or otherwise marketed in the U.S. 5(a). The described equipment is being imported solely for export. It will not be offered for sale or otherwise marketed in the U.S. 5(a). The described equipment is being imported for use exclusively by the U.S. Government. 7. Three or fewer radio receivers, computers, or other unintentional radiators as defined in Part 15 of the FCC Rules, are being imported for an individual's personal use and are not intended for sale. 8. The described equipment is being imported for repair and will not be offered for sale or otherwise marketed.	Date of Entry	Entry Number	Port of Entry
